Dear Teacher,

*We are a small family run Wexford farmhouse offering creative play programmes for schoolchildren. We run very popular programmes for Primary Schools and are now offering the Woodfield experience to your pre-school children. We give your children the opportunity to express themselves through imaginative play in a relaxed and enjoyable manner.*

*The children will receive a warm welcome, enjoy their day and leave with happy memories.*

~~~~~  
*Accompanying adults enjoy complimentary teas, coffee and home baking in our seventeenth century house and garden.*
