

Dear Teacher,

We are a small family run Wexford farmhouse offering creative play programmes for schoolchildren. We give your children the opportunity to express themselves through imaginative play and work tasks in a relaxed and enjoyable manner.

Our ethos is to allow children of all ages rediscover imaginative play.

The children will receive a warm welcome, enjoy their day and leave with happy memories.

~~~~~  
Accompanying adults enjoy complimentary teas, coffee and home baking in our seventeenth century house and garden.

### ~~~~~ Structure of Day

We offer two choices:

- 2 hour programme - 10 per child.
- 3½ hour programme - 15 per child.

Both starting at 10 a.m.

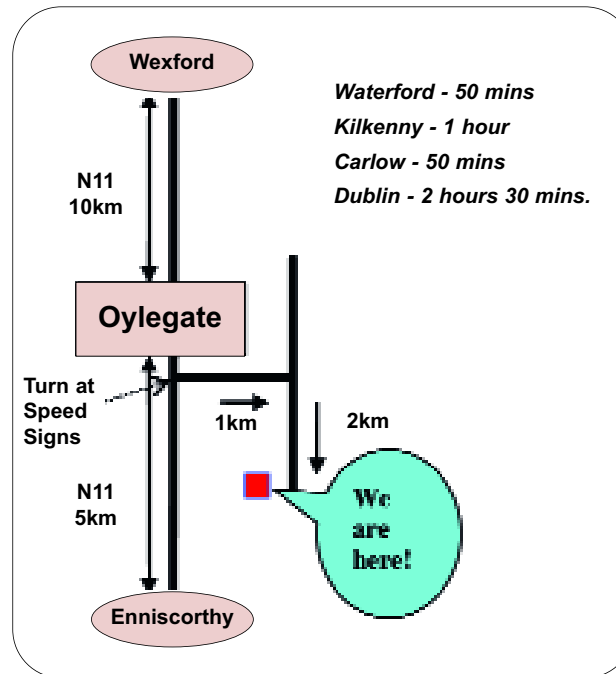

Children should bring a packed lunch with drinks and wear comfortable old clothes and footwear.

We have excellent indoor venues if the weather is bad.

Early booking is advised as places are limited.

Yours sincerely,

Dick Whelehan and the Woodfield House team
